

# RUHR.2010 Capital of Culture

Welcome to **RUHR.2010**, the European Capital of Culture, and visit the cultural hot spots of this region!  
**Germany's industrial heart Ruhr Area** was once covered with smoking coal mines and steel works. Today these **masterpieces of industrial history** have been converted into impressive **event locations**, exciting **teambuilding venues**, spectacular **parks** and fascinating **museums offering living history**.

**Day 1:**  
**Morning – Welcome to the “Region of contrasts”!**

Check-in in your luxurious Relais & Châteaux hotel and have lunch on the romantic terrace in the castle courtyard.

**Afternoon – UNESCO World Cultural Heritage**

Hold your meeting in an unique industrial monument, listed as UNESCO World Cultural Heritage.

Before enjoying dinner do a guided tour of the impressive premises which were once used for coal mining.

**Evening – Exceptional welcome dinner**

Take your seat amongst industrial relics and dine in the very special ambiance of a former compressor hall.

**Day 2:**  
**Morning – Teambuilding Activities**

Experience breathtaking “High Wire Activity” above a closed down steelwork or dive in an old gasholder. For your recreation a rustic BBQ in a spectacular industrial scenery awaits you.

**Afternoon – Bike tour**

On a dynamic tour you will safely be guided over secret paths and old railroad embankments.... Experience the history of these industrial premises including smeltery, coal mine and coking plant.

**Evening – Event at historic engine shed**

Celebrate an exceptional lounge party in this listed building, a showpiece of German industry architecture.

**Day 3:**

Breakfast and departures by coach, plane or train.
